

# 6 PRODUCTS THAT WILL MAKE YOU STOP SPLURGING ON SKIN CARE

When you think of professional skin care products, dollar signs start swimming in your head. But it's not as expensive as you think. Here's 2 reasons why:

1. These 6 products are available in a trial size, so you can make sure they are right for you before you purchase the full size.
2. When these 6 products work for you and produce results, there is no need to purchase any other skin care products.

## THE PRODUCTS FROM GLYMED PLUS:

### *Mega-Purifying Cleanser*

Dissolves makeup, oil, and debris on the skin. Contains Vitamin E, an antioxidant that will help to combat dryness, extrinsic assaults, and the harmful irritants that lead to premature aging.

### *Gentle Face Wash*

10% Glycolic Acid helps to combat aging, improve acne, lighten and brighten the skin. Gentle enough to use on even the most sensitive skin.

### *Skin Restoring Fulvic Elixir*

Known for its antibacterial, antifungal, antiviral, and anti-inflammatory properties that target aging skin, irritations, and acne while stimulating healing to restore younger looking skin.

### *Daily Repair Mega Moisture Cream*

Lightweight but deeply hydrating cream repairs photo-damaged and environmentally stressed skin while fighting against acne causing bacteria. Packed with healing and repairing botanicals.

### *Photo-Age Environmental Protection Gel SPF 30+*

This SPF 30 integrates the power of professional grade ingredients to immediately deliver antioxidants providing anti-aging benefits to protect skin from free radical damage

### *Alpha Therapeutic Ultimate Body Scrub*

An energizing formula infused with ultra fine jojoba beads and alpha hydroxy acids, excellent for removing dry skin from elbows, knees, legs, and feet. \*pair it with Alpha Therapeutic Hand and Body Lotion for the ultimate nourishment while it works beyond the surface to reduce fine lines and wrinkles, diminish age spots and hyperpigmentation.
